

## January 2019 NCPC Meeting Poll Everywhere Results

- 1) If you could make a resolution for NCPC what would it be?
  - To educate more kids about the dangers of alcohol and drug abuse
  - Make the marijuana issue a social justice issue like how tobacco control is doing with the tobacco epidemic and get more youth involved with NCPC to increase, creativity, energy, optimism and motivation
  - Address marijuana issue now that it's legal and do something about vaping
  - Develop a strong coalition in Carlsbad
  - Be more active
  - Engage more youth and adults in our efforts
  - To have more community guests who work with youth. This can potentially help to keep our events and actions relevant
  - Stronger involvement in shaping public policy and influencing city council decisions
  - More educational presentations as a NCPC group (different perceptions) to youth
  - Be more strategic on how to involve other community organizations to support NCPC mission
  
- 2) Choose your favorite NCPC meeting format:
  - Opportunities to discuss issues and provide input= 60%
  - Other= 40%
  - Presentations/Guest Speakers= 0%
  
- 3) Based on your previous response, please share what you'd like at future NCPC meetings
  - Creative opportunities to engage youth
  - Having meetings during convenient hours for community members to join and participate. Have more community outreach and events.
  - Social justice topics relating to policy and youth and families
  - A combination of all 3 formats and follow-up with guest speakers for updates like VCC new mentoring project
  - Strategize direction of org, including talking about results/metrics of events and program
  - Second the idea having NCPC meetings/events during hours where working community members can join including Spanish speaking
  - Ideas for engaging youth to educate them on the harms of vaping and marijuana

- Coming together and discussing community AOD related issues as a round table type guided discussion and finding ways to collaborate with members to tackle local problems.
  - Taking an issue/topic and having someone facilitate while others share ideas. Taking all things into consideration: money, time, pros/cons
- 4) CBD products are heavily marketed and available in many retail settings, but are technically against the law in California (and federally through FDA). Should this be a priority for NCPC?
- Yes, CBD is associated with marijuana and its promotion leads people (and youth) to think marijuana is harmless= 27%
  - No, CBD has no intoxicating effect and does not lead to impairment= 9%
  - Not sure, we should have a presentation to learn more about it= 64%
- 5) NCPC has sponsored a 420 Remix PSA contest for middle and high school students in San Diego County since 2013. On a scale of 1 (not very important) to 5 (very important), How important do you think it is for NCPC to continue this program?
- 1= 0%
  - 2= 18%
  - 3= 9%
  - 4= 27%
  - 5= 45%
- 6) NCPC has sponsored a 420 Remix event at Boomers in Vista for middle school students since 2011 (last year held on Thursday, April 19<sup>th</sup> due to Boomers not able to rent facility on a Friday). This year, April 20<sup>th</sup> is on Saturday. What is your recommendation for 2019?
- Have the event on Thursday, April 18<sup>th</sup> (similar to last year)= 88%
  - Have the event on Wednesday, April 24<sup>th</sup> (since youth marijuana prevention is needed 24 hours a day)= 13%
  - Cancel event at Boomers= 0%
