

Tri-City Medical Center

Prescription Drug Abuse Prevention Community Forum

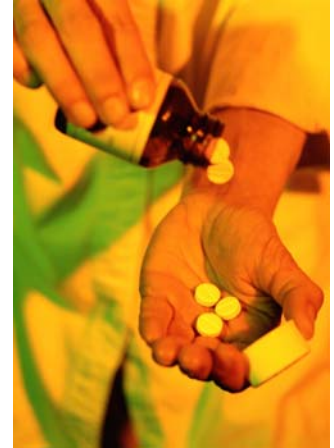

Learn from the experts how YOU can make a difference!

Tom Lennox, Drug Enforcement Administration
Sherrie and Aaron Rubin, HOPE Foundation

Facilitated by Aaron Byzak, President, North Coastal Prevention Coalition

**Wednesday, August 24, 2011
5:30 – 7:00 PM**

**Tri-City Medical Center – Community Rooms (downstairs)
4002 Vista Way
Oceanside, CA 92056**

- In San Diego County, deaths involving prescription drugs are second only to deaths caused by heart disease.
- Research shows that more teens have abused prescription drugs than cocaine, heroine, and methamphetamine combined.

Refreshments served from 5:30 to 6:00 PM

**For more information, please contact the North Coastal Prevention Coalition at 760-631-5000 x7149
Or Tri-City Medical Center at 760-940-5614**

Funded in part by the County of San Diego, Health and Human Services Agency and through a generous grant from the Wal-Mart Foundation
