Does Vista Need More Alcohol Sales?

This survey is being conducted to get community input regarding an application by 7-Eleven in Vista to sell beer and wine. The 7-Eleven is located at 902 S. Santa Fe Ave. There are already 5 other businesses nearby where alcohol is sold. In addition, Vista already has nearly 70 stores licensed to sell alcohol, the highest ratio per population of all neighboring cities. Many research studies have found that limiting the number of businesses that sell alcohol can reduce the harms associated with heavy drinking, youth access to alcohol, and driving under the influence.
