Dues are collected to help defray NCPC operating expenses including annual liability insurance. For more information please visit NCPC's website click on **Donate** button on website homepage, or click here: [Membership Application and Annual Dues](#) Thank you to the members who have already paid.

**IV. Update on proposed legislation – Assemblymember Laurie Davies:**

Thank you to those who were able to join NCPC's March general meeting, and a very special thank you to our guests – Assemblymember Laurie Davies, OPD Chief Armijo, CPD Chief Williams, and Sheriff Lt. Buether!

Assemblymember Davies presented a brief overview on proposed legislation AB 1598 (sale of drug paraphernalia) and AB 1750 (drug education/treatment). Subsequent to the general meeting, Assemblymember Davies reported that AB 1598 (allowing the sale of any testing equipment meant to detect the presence of fentanyl will be allowed to be purchased by the general public) was passed in committee on the Assembly floor and now goes to the Senate. AB 1750 also passed unanimously in the Public Safety Committee and goes to Appropriations. This bill will make it mandatory for any probationer or divertee of a crime involving a controlled substance to take an education/counseling course about the dangers of controlled substances as a condition of probation.

**V. Presentation: Local Law Enforcement Panel Discussion:**

Local law enforcement agencies were invited to attend and participate on a panel to discuss substance use impacts in North County and opportunities for collaboration with NCPC. Panel members included CPD Chief Williams, OPD Chief Armijo and Vista Sheriff Lt. Buether.

Panel members shared law enforcement's perspective on current substance use challenges, how alcohol and other drugs are impacting our local communities, opportunities and challenges regarding changes in State and local policies that impact law enforcement related to substance use, priorities for their departments and ways that NCPC could support law enforcement efforts. The panel was also asked to discuss continued increases in fentanyl-related deaths and record DUI fatalities in the county. Group Q&A session followed.

VI. **Member/Chat Box Announcements:**

**Judi Strang, San Diego Alliance:** Mobile Crisis Response Teams (MCRT 888-724-7240) provide in-person support to anyone, anywhere, experiencing a mental health, drug, or alcohol-related crisis.
