Reminder: 2023 NCPC membership dues are now being accepted - \$25/individual and \$50/organization. The membership dues are very important to support NCPC's prevention efforts. Please visit the website for more information and thank you for your ongoing support. Thank you.

Rob Howard, NCPC Board member, noted the NCPC website membership dues link is not currently working; the page needs to be updated to say "2023 dues are due" or change it to "Dues Payment" vs the specific year. Staff will review and update/edit as suggested.

IV. **Guest Presenter: Melissa Ryan, ABC**

Melissa Ryan from the Department of Alcoholic Beverage Control (ABC) gave an overview of recent changes in ABC structure and programs. She now has the role of Supervising Agent in Charge for SD County focusing on enforcement. ABC has launched a Community Partnership Program to focus in underserved communities to partner with

residents, local law enforcement and ABC to take a non-disciplinary approach to improve licensees. She has worked the program in Spring Valley and Escondido (special shout-out to Patrick Holstrom and Pearl Cerda with Drug Free Escondido for their partnership). She also gave updates on new State laws and stated that ABC Director Hirata's priority is to reduce youth access to alcohol and improve problematic licensees. They plan to conduct at least one decoy operation and 15 impact inspections per month.
